Dear Contributors and Donors:

Members of our Auction Committee are soliciting donations from a variety of organizations, restaurants and vendors, in addition to donations from members. This year's auction will be held on Saturday, May 2nd, 2015 at 5:30pm. Donations will contribute to a lively and successful fundraising event for our congregation and also serve to promote your organization. Past contributors have gained loyal customers as a result of their donations in the past.

Proceeds from this auction will help our church continue to give back to our community through continued participation and support to:

- The Greater Berks County Food Bank (we serve hundreds of families annually).
- Family Promise (helping homeless families to transition into a more stable living environment).
- The Minister's Fund (an emergency fund to help people pay for heating or food).
- Many other socially responsible Berks County organizations.

Your donation of goods or services to the FUUBC is most appreciated. Our Church is a charitable organization and is tax-exempt under section 501(c)(3) of the Internal Revenue Code. Please consult your accountant about this tax-deductible contribution.

You are also welcome to attend this event.

Sincerely,

Kent Gutzler
